Basinview Centre Pool Update

Updated August 26 2020

Please be advised:

The main pool will continue to be closed while we proceed with the next steps in identifying water loss from the pool.

Contracted Engineers will be investigating by excavating test pits to assess if the leaking pool waters have impacted the building foundations, and they will provide recommendations relating to the required repairs.

This work is expected to be completed by late September and a further update will be provided at that time.

During this time the Tot Pool and the Therapy Pool will both be open for use.

We would like to thank you for your patience during this process and apologise for any inconvenience it may cause.

For more information, contact Stephen McInnis at (902) 532-2331 or smcinnis@annapoliscounty.ca

- **Main Pool Closed**
During Investigation
- **Tot Pool Open**
